

TIPS FOR A GREAT SANTA MARK VISIT

We want Santa's visit to be extra special for everyone! Here are some helpful tips to ensure your event is merry and memorable:

- ****Event Contact:**** Provide a cell phone number for someone at the event who will have their phone on and ready to assist.
- ****Santa's Parking:**** Arrange a special parking spot for Santa—very close to the entrance—so he can arrive with ease.
- ****Santa's Welcome:**** Have someone outside ready to greet Santa, show him the way, and help load toys into his sack if needed.
- ****Grand Entrance:**** Plan a festive entrance for Santa! Organize everyone to participate in a fun activity, like singing a holiday song together.
- ****Photo-Perfect Setup:**** Place Santa's chair in front of a great holiday background and leave extra space behind for group photos.
- ****Discreet Payment:**** Place payment in a Christmas card so you can avoid handing Santa cash or a check in front of the children.
- ****Departure Time:**** Keep the children together and engaged with an activity to allow Santa a few minutes for a smooth and magical departure.
